

STAY DRY TECHNOLOGY UNDERPADS

ODYSSEY STAIN-FREE ULTRASORB UNDERPADS

THE NEW ODYSSEY PAD FROM LANCHA TEXTILES. IS THE PERFECT REUSABLE INCONTINENT PAD FOR COMMERCIAL LAUNDRIES. OUR NEW ODYSSEY PAD USES OUR NEW ODYSSEY KNIT POLYESTER FACE FABRIC. THIS SPECIALLY DESIGNED MATERIAL IS SOFTER THAN OTHER FABRICS OFFERED BY OUR COMPETITION. OUR ODYSSEY FABRIC WILL OUTLAST THE TWILL AND IBEX-STYLE FABRICS, AS WELL AS THE BRUSHED POLYESTER FABRICS BY OVER TWO TO ONE! IN ADDITION TO BEING BOTH SOFTER AND TOUGHER THAN OTHER FABRICS COMMONLY USED IN INCONTINENT PADS, THIS INCREDIBLE NEW FABRIC SHRINKS LESS AND RESISTS STAINING BETTER THAN OTHER PRODUCTS. WE TAKE THIS SPECIAL FABRIC AND WE QUILT IT TO OUR SPECIALLY DESIGNED SUPER ABSORBENT SOAKER LAYER THAT IS DESIGNED FOR LOWER SHRINKAGE AND LONGER LIFE. THIS UNDERPAD, WHILE NOT THE LEAST EXPENSIVE PAD, WILL HELP ANY

LAUNDRY REDUCE THEIR OVERALL COST FOR INCONTINENT PADS. THESE INCREDIBLE UNDERPADS WILL LAST HUNDREDS OF WASHINGS! IN ADDITION TO THEIR DURABILITY, THEY WILL HELP REDUCE A LAUNDRY'S PROCESSING COSTS BY LASTING LONGER AND STAINING LESS THAN ANY OTHER PAD AVAILABLE.

PROUDLY MADE IN THE USA

MEDALLION™ XTRASORB UNDERPADS

THE MEDALLION™ XTRASORB UNDERPAD IS ONE OF THE MOST ABSORBENT PRODUCTS ON THE MARKET TODAY. USING OUR SPECIAL STAY-DRY TECHNOLOGY, WE HAVE MADE AN UNDERPAD THAT WILL LOCK MOISTURE AWAY FROM A RESIDENT'S SKIN, HELPING TO KEEP THEM DRY BETWEEN CHANGES. MADE WITH A HEAVY, ATTRACTIVE BLUE WARP KNIT FACE, THIS SUPERIOR UNDERPAD WILL HOLD UP TO EVEN THE MOST EXTREME LAUNDRY CONDITIONS AND TUNNEL WASH SYSTEMS. WE ARE CONFIDENT THIS PRODUCT WILL OUTPERFORM ALL SIMILAR PRODUCTS ON THE MARKET.

PROUDLY MADE IN THE USA.
